BUSINESS EXPERIENCE

2020

PKF INTERNATIONAL, Singapore

Multinational professional services firm with 400+ offices and operations in 150 countries

Corporate Finance (M&A) Associate (6 months)

- Prepared investment teasers for capital raising mandates amounting to SGD\$ 40m, performed preliminary search for potential investors on CAPIQ and assisted with NDA negotiation processes
- Managed 2 financial due diligence processes, ran secure virtual data rooms and liaised with management executives to better understand nuances of businesses
- Undertook financial statement analysis and built trading comps as well as precedent transaction comps models as part of preliminary valuations for 8 client engagements
- Built a DCF model as part of a buy-side M&A advisory work for a construction & engineering company, expediting negotiations for an SGD\$ 14m transaction

2019

EY, Singapore

Transaction Advisory Services Fall Intern (3 months)

- Prepared a business case draft and a cost-benefit analysis facilitating decision-making for an airport's aviation fuel facility to accommodate projected growth of 50m passengers
- Updated 30-year toll ridership and traffic forecasts, supporting development of project finance models
- Conducted research on regulated Cost of Equity in utilities sectors as part of a comparable risk & return profile analysis, benchmarking returns to recommend an implied WACC of 3.2%

2018

PWC, Singapore

Deals Advisory Winter Intern (3 months)

- Analysed business operations to screen for comparable companies on Bloomberg, culminating in building WACC models for DCFs for purchase price allocations used for clients' financial reporting
- Presented findings and models for a case study on valuation of distressed companies to directors as part of final internship assessment; team emerged with highest score in cohort
- Integrated the WACC and DCF model, resulting in a preliminary business valuation of SGD\$ 25m as part of a valuation engagement for an e-commerce service provider

2018

ING BANK, Singapore

Global bank with 56,000+ employees, serving 38.8m+ clients in 40+ countries

Sustainable Finance Off-Cycle Intern (6 months)

- Delivered advisory services to MNCs and municipalities, supported 3 investor roadshows as part of the Debt Capital Markets (DCM) working group
- Crafted pitchbooks for Green Bond and Social Bond mandates, amounting to over \$3b in issuances, and contributed to translation (Mandarin) of pitchbooks
- Arranged conference calls with 4 DCM teams covering Greater China, Philippines, Japan, and South Korea, to address key concerns of clients and tailor Requests for Proposal (RFP)
- Performed investors' green shading analyses, instrumental in determining bond issuance allocations for 100+ institutional investors

ADDITIONAL INFORMATION

- Passed CFA Level 1 (Dec 2019)
- Led a team of 4 analysts and emerged as national finalist (top 4 out of 138 teams) in the NUS-SGX Stock Pitch Competition 2018
- Selected by investment clubs of 4 universities to be part of an eight-member grading committee for the nationwide GIC x NYC Stock Pitch Challenge 2018 for 200+ participants
- Recognised by university for academic excellence and was invited to be a Peer-Assisted Learning (PAL) Leader for all modules read, facilitating and leading weekly sessions for 20+ students
